1980-81 Outlook

Defense will continue to be the key to the success of the University of Montana women's basketball program, according to coach Robin Selvig.

The Grizzlies have led the Northwest Women's Basketball League in team defense the past two years, allowing just 54.7 points per game last year.

"We're always going to put a great deal of emphasis on defense," Selvig said. "I feel that is what has enabled us to be very competitive in the last two years."

Last year, the Grizzlies had a 19-10 record. They were 7-6 in NWBL play, good enough for second place in the Mountain Division and a spot in the play-offs, where they finished fourth.

While defense continues to play an important role, Selvig hopes to improve the team's offense this year.

"I expect we'll be putting the ball up a little more from the outside. I think we're going to be a better shooting team. We won't have to force it inside, which we felt we had to do last year," he said.

Selvig also hopes to develop more speed and quickness on the team, a weakness the last couple of years.

The Grizzlies have four returning starters and eight letter winners. Jill Greenfield, a second-team all-conference selection last year, returns at center. Sandy Selvig and Janet Ruetten, also returning starters, are expected to fill the forward positions. Back-up help on the front line will come from Doris Deden at center and Alison Robb and Shari Thesenvitz at forward. Juli Eckmann and Sue Habbe, both guards, may also see some time at forward.

The fourth returning starter is guard Annette Whitaker. However, she will have to compete with Barb Johannsen, Cathy St. John, Cheri Bratt, Shannon Green, Eckmann and Habbe for the starting guard positions.

Head Coach Robin Selvig

The University of Montana women's basketball program has shown continuing improvement under the guidance of Robin Selvig.

Selvig's two-year record at UM is 32-23. Last year's 19-10 record was the best in the school's history. The Grizzlies were second in the NWBL Mountain Division both years, earning them playoff berths.

The emphasis is on defense on Selvig's teams. UM has led the NWBL in defense each of the past two seasons.

Defense was also important to Selvig when he played for the University of Montana in the early 70's. In 1974, as a senior, he was named the best defensive player on the team. He was also a second-team All-Big Sky Conference selection and won the university's top athletic award, the Grizzly Cup.

Before taking over the Grizzly women's basketball program, Selvig was the head coach of the girl's basketball team at Plentywood High School from 1975 to 1978.

Assistant Coach Sara Novak

Sara Novak returns for her second year as assistant coach of the women's basketball team.

Novak competed in track and basketball at Baylor University. In 1977, she qualified for the AIAW National Track Championship in the javelin and played on the Baylor basketball team that placed fifth in the national tournament. She received her B.S. degree from Baylor in 1978.

Novak coached high school basketball and track at Park City, Montana in 1978-79.

Jill Greenfield

42

**Center
6-2, Senior
Richland, Wash.**

In her first year with the Grizzlies, Jill Greenfield virtually re-wrote the UM record book for scoring and rebounding in a single season. Among the records she established were total points (449), scoring average (16.0), total rebounds (252), rebounding average (9.0) and shooting percentage (.517).

Her performance earned her several awards. She was a second-team All-Northwest Women's Basketball League selection and was named UM's Most Valuable Player.

Jill transferred to UM from Wenatchee Valley Junior College (Wenatchee, Wash.), where she established career and single season records in scoring and rebounding.

"She's just a player with great offensive abilities," said Selvig.

Jill is a Business Management major.

Her parents are Raymond and Lucille Greenfield of Richland, Wash.

Sandy Selvig

Sandy Selvig is the leader of the defense that has led the NWBL in defense the last two years. In each of those seasons, she was named the Grizzlies' top defensive player.

"She's as good a defensive player as there is in the conference," said Robin Selvig, "We're also looking for her to be a consistent scorer inside."

Sandy was a three-time all-state selection at Outlook (Mont.) High School. She began her college basketball career at Flathead Valley Community College (Kalispell, Mont.). After her freshman year, she transferred to Montana, the same year her brother, Robin, was named head coach of the UM women's basketball team. Last year, she was named team co-captain.

Sandy is majoring in Secondary Education.

Her parents are Roald and Agnes Selvig of Outlook, Mont.

Annette Whitaker

12

Guard
5-4, Senior
Cashmere, Wash.

Annette Whitaker was one of last year's pleasant surprises. A walk-on, she not only made the team, but became the starting point guard and team co-captain. Her ball-handling ability made her the leader of the Grizzly fast break.

"She's the quickest player on the team," according to Selvig. "We're looking for Annette to give us leadership from the guard position."

Annette played with Jill Greenfield on the Wenatchee Valley Junior College (Wenatchee, Wash.) team that won two state junior college championships. She was named to the all-tournament team in the 1979 state tournament. She was also captain of her junior college team.

Annette is majoring in Health and Physical Education.

Her parents are Mary and Dick Whitaker of Yakima, Wash.

Barb Johannsen

Barb Johannsen is a former starter for the Grizzlies and provides the team with a great deal of experience.

"She gives the team good quickness at the lead guard position," according to Selvig. "She's experienced and solid in the Grizzly program."

Barb was an outstanding athlete at North Toole County (Sunburst, Mont.) High School, earning four letters in track and three in basketball. Three times she was named to all-conference basketball teams and was an all-state selection once.

Barb is majoring in Secondary Education/Physical Therapy.

Her father is Russell Johannsen of Sunburst, Mont.

14

Alison Robb

A former starter for the Grizzlies, Alison Robb was named the team's Most Inspirational Player last year. Though she did not start last year, she was still a valuable member of the team.

"Alison is a very aggressive player," according to Selvig. "She's someone we know will play good defense when we put her in."

Alison was also an outstanding athlete at Park County High School (Livingston, Mont.) She was a four-time letter-winner in both basketball and track and served as captain of both teams. She was an all-conference selection in basketball twice.

Alison is majoring in Secondary Education and Recreation Management.

Her parents are Mr. and Mrs. Jack Robb of Livingston, Mont.

Janet Ruetten

As a freshman last year, Janet Ruetten used her natural shooting ability to make her the second-leading scorer on the team. She was also one of the top free-throw shooters in the country, converting 85.2 per cent of her free throw attempts.

Janet played as a guard last year, but Selvig plans to move her to forward this year.

"Janet had an outstanding year as a freshman," he said. "We're looking for her to improve steadily throughout her career."

At Patrick Henry High School (San Diego, Calif.), she was named Eastern League Player of the year.

Janet's major is General Studies and Health & Physical Education.

Her parents are Mr. and Mrs. Richard Ruetten of San Diego, Calif.

After a slow start, Juli Eckmann came on strong the last four games of the 1979-80 season, putting her in contention for a starting berth this year. The late season performance was a fulfillment of the potential she displayed in high school. As a senior at the Magic City Campus (Minot, N.D.), she was named North Dakota Female Athlete of the Year and was selected to the Converse All-American High School Basketball Team.

"She has the best hands on the team, which makes her extremely good in a pressure defense. She was simply outstanding in her last four games last years. We're looking for great things from Juli," said Selvig.

Juli is a Business Management and Education major.

Her parents are Wally and Iris Eckmann of Minot, N.D.

Sue Habbe

Sue Habbe earned a spot on the varsity squad this year after playing on the junior varsity team last year.

"She's only 5-8, but she can play forward because she's very strong. She's a good shooter and can play guard. She has a good shot at playing time," said Selvig.

Sue, a graduate of Hellgate High School (Missoula, Mont.), played basketball all four years in high school and participated in golf and track two years. She was co-captain of the basketball team and earned honorable mention honors for the Western-AA All-Conference team. She was a second team all-conference selection in the conference tournament.

Sue is majoring in Health and Physical Education.

Her parents are Don and Doosy Habbe of Missoula, Mont.

Cathy St. John

24

Guard
5-8, Sophomore
Opheim, Mont.

Cathy St. John came off the bench many times last year when the Grizzlies needed help on defense.

"She's extremely aggressive, which makes her good on defense. She was our best defensive guard last year. With improved confidence in her offensive abilities, she could compete for a starting position," said Selvig.

At Opheim (Mont.) High School, Cathy was an all-conference selection and the team's Most Valuable Player three times and served as team captain. She also was on the track team for two years.

Cathy is majoring in Elementary Education.

Her parents are Myron and Mary St. John of Opheim, Mont.

Cheri Bratt

Cheri (pronounced Sure-EE) Bratt can play either forward or guard, but should help the Grizzlies most at guard.

"She's a great passer and ball handler," said Selvig. "She's also a tremendous competitor and an aggressive ballplayer. We're looking for great things from her."

Cheri was one of the top basketball players in the state when she played for Flathead High School (Kalispell, Mont.) She was named to the All-State (AA) tournament team all four years. She was also named to the All-State and All-Conference teams her last three years.

As a junior, she averaged 14 points and 13 rebounds per game. She was hampered by an injury last year, but has since recovered.

Cheri is a General Studies major.

Her parents are Glee and Kareen Bratt of Somers, Mont.

6-1½, Freshman
Missoula, Mont.

Doris Deden comes to the University of Montana after leading the Sentinel High School Spartans (Missoula, Mont.) to a perfect 26-0 season and a Class-AA state championship last year.

"Doris is very mobile for her size," according to Selvig. "She's a good scorer around the basket. She should have the ability to play the post or forward."

Doris, a sister of former Grizzly starter Linda Deden Smith, averaged 15.8 points a game last year and shot more than 50 per cent from the field. She was named to the all-state basketball tournament team each of the last three seasons. She was also an All-State (AA) pick as a senior.

Doris is majoring in Math.

Her parents are Richard and Nancy Deden of Missoula, Mont.

Shannon Green

Shannon Green brings excellent guard skills to the University of Montana, according to Selvig.

"She's a very good passer and outside shooter, which is something we lacked last year. She's also extremely aggressive," he said.

Shannon was an all-conference selection her last three years at Big Sandy (Mont.) High School. In 1978, she was named to the Class B All State Team (no team was named in 1979). As a senior, she averaged 16.5 points and 10 assists per game.

Her athletic talents are not limited to the basketball court. She also holds the Class B records in the 880 and mile runs.

Shannon is majoring in Athletic Training.

Her parents are Lawrence and Connie Green, Big Sandy, Mont.

Shari Thesenvitz

44

Forward
6-0, Freshman
Richland, Wash.

Shari Thesenvitz will be able to help the Grizzlies at either forward or center.

"She is very good around the basket," according to Selvig. "She's a good jumper and has a good shooting touch."

Shari graduated from Hanford High School (Richland, Wash.), the high school Jill Greenfield attended. Hanford was second in the state last year and had a 20-4 record.

As a senior, Shari averaged 14 points, 10 rebounds and three assists per game. She was an all-conference choice and was named to the Class AA All-State second team.

Shari has not decided on a major.

Her parents are Glenn and Sharleen Thesenvitz of Richland, Wash.

Non-Conference Opponents

A late-December trip to the Bay Area of California highlights the University of Montana's non-conference schedule. The trip will include games at St. Mary's (Dec. 19), Stanford (Dec. 20) and the University of San Francisco (Dec. 22). USF will likely provide the strongest competition. The Lady Dons return three starters from last year's 28-5 team.

Other non-conference road games will be at Weber State (Dec. 2), Utah State (Dec. 3), Idaho State (Jan. 24) and Seattle University (Jan. 31).

UM will have seven non-conference matches at home. They will be against Carroll College (Nov. 28), College of Great Falls (Nov. 29), Gonzaga (Dec. 9), Idaho State (Dec. 12), Northern Montana (Dec. 13) and Alaska-Anchorage (Jan. 10-11).

Lady Griz Insurance Classic

An impressive field is scheduled to take part in the first annual Lady Griz Insurance Classic. The tournament, sponsored by the Independent Insurance Agents of Missoula, will be held Jan. 6-7.

The first night's action will open with the University of Montana meeting the University of Iowa. In the second game, the University of Washington will play Brigham Young University.

The second night will open with the consolation game, followed by the tournament championship.

Game times both nights are 7:00 and 9:00.

University of Montana

The University of Montana boasts a proud tradition of academic excellence in teaching, research and service. Located in Missoula on 201 acres at the base of Mount Sentinel, UM was chartered February 17, 1893. Since then, it has grown from 50 students and seven faculty members to a present enrollment of 8,880 and about 450 fulltime state supported faculty positions.

Bachelor's degrees are available in 58 fields, and associate of arts degrees may be obtained in two areas. UM offers master's degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences is the core of the University. It includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities.

Seven professional schools complete the academic program — Business Administration, Fine Arts, Journalism, Education, Forestry, Law, and Pharmacy and Allied Health Sciences.

Missoula is in the midst of an area noted for its spectacular scenery and recreational opportunities. It is within easy driving distance of four wilderness areas and Glacier and Yellowstone National Parks. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other outdoor recreational pursuits. Two excellent winter ski areas are within minutes of the University, and several others are only a couple of hours away by car. UM owns and operates a golf course near the campus.

Downtown Missoula is within blocks of the University and is easily accessible to UM students. Other parts of the city can be reached by using Mountain Line, the city's mass transit system.
